1. Aims

Through our PSHE programme, we aim to provide children with the knowledge, skills and understanding they need to lead confident, healthy, independent lives and to become informed, active and responsible citizens. In providing children with an understanding of healthy, respectful relationships and appropriate boundaries, we consider effective relationships and sex education (RSE) to be a fundamental part of our approach to supporting pupils to grow into confident, caring, responsible and respectful young citizens. At New Horizons Primary School, RSE is taught within the Personal, Social, Health and Economic (PSHE) education curriculum.

RSE is lifelong learning about personal, physical, moral and emotional development. It should teach children and young people to develop and form positive values, attitudes, personal and social skills, and increase their knowledge and understanding of how to make informed decisions and life choices.

The aims of relationships and sex education (RSE) at our school are to:

- > Provide a framework in which sensitive discussions can take place
- > Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- > Help pupils develop feelings of self-respect, confidence and empathy
- > Create a positive culture around issues of sexuality and relationships
- > Teach pupils the correct vocabulary to describe themselves and their bodies
- > Teach pupils how to be sage, how to understand the complexity of relationships and be confident to develop healthy relationships and lifestyles both now and in the future

2. Statutory requirements

As a primary academy, we must provide relationships education to all pupils under section 34 of the Children and Social Work Act 2017.

We follow the National Curriculum and are expected to offer all pupils a curriculum that requires us to teach science which would include the elements of sex education contained in the science curriculum.

In teaching RSE, we're required by our funding agreements to have regard to <u>guidance</u> issued by the secretary of state, as outlined in section 403 of the <u>Education Act 1996</u>.

We also have regard to legal duties set out in:

- Sections 406 and 407 of the Education Act 1996
- Part 6, chapter 1 of the Equality Act 2010
- The Public Sector Equality Duty (as set out in section 149 of the Equality Act 2010). This duty
 requires public bodies to have due regard to the need to eliminate discrimination, advance equality of
 opportunity and foster good relations between different people when carrying out their activities

At New Horizons Primary School, we value PSHE as a way to support children's development as human beings, to enable them to understand and respect who they are, to empower them with a voice and to equip them for life and learning. We include the statutory Relationships and Health Education within our whole-school PSHE Programme. To ensure progression and a spiral curriculum, we use Jigsaw as our chosen teaching and learning programme and tailor it to your children's needs. The mapping document: Jigsaw 3-11 and statutory Relationships and Health Education, shows exactly how Jigsaw and therefore our school, meets the statutory Relationships and Health Education requirements.

3. Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

- 1. Review a member of staff or working group pulled together all relevant information including relevant national and local guidance
- 2. Staff consultation all school staff were given the opportunity to look at the policy and make recommendations
- 3. Parent/stakeholder consultation parents and any interested parties were invited to read the policy and make recommendations
- 4. Pupil consultation we investigated what exactly pupils want from their RSE
- 5. Ratification once amendments were made, the policy was shared with governors and ratified

4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

As in the DfE guidance, relationships education will cover 'Families and people who care for me', 'Caring friendships', 'Respectful relationships', 'Online relationships' and 'Being safe'.

Health Education will cover 'Mental wellbeing', 'Internet safety and harms', Physical health and fitness', Healthy eating', 'Drugs, alcohol and tobacco', 'Health and prevention', 'Basic First Aid' and 'Changing adolescent body'.

The DfE Guidance 2019 recommends that all primary schools 'have a sex education programme tailored to the age and the physical and emotional maturity of the pupils'. At New Horizons Primary School, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the

'Changing Me' Puzzle (unit). Sex education at New Horizons Primary will focus on: 'preparing boys and girls for the changes that adolescence brings' and 'how a baby is conceived and born'. As these lessons are non-statutory, we will inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this – please see section 9 of this policy in regard to this process.

5. Curriculum

Our RSE curriculum is set out as per Appendix 1, but we reserve the right to adapt it as and when necessary.

At New Horizons Primary School, we use the Jigsaw scheme of work for PSHE. Jigsaw covers all areas of PSHE for the primary phase including statutory Relationships and Health Education. The table below gives the learning theme of each of the six Puzzles (units) and these are taught across the school; the learning deepens and broadens every year.

Term	Puzzle (Unit)	Content
Autumn 1:	Being Me in My World	Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.
Autumn 2:	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and understanding
Spring 1:	Dreams and Goals	Includes goal-setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society
Spring 2:	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise
Summer 1:	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss
Summer 2:	Changing Me	Includes Relationships and Sex Education in the context of coping positively with change

At New Horizons Primary School, we allocate an hour to PSHE each week in order to teach both knowledge and skills in a developmental and age-appropriate way. These lessons are reinforced and enhanced in many ways: Assemblies, praise and reward system, Learning Heroes and through relationships (child to child, adult to child and adult to adult) across the school. We aim to 'live' what is learnt and apply it to everyday situations in the school community.

Class teachers deliver the weekly lesson on a Monday afternoon to their own classes.

6. Delivery of RSE

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE) and the computing curriculum.

As a school, we use the Jigsaw scheme of work to deliver our PSHE and RSE. The content and implementation of the programme is based on a number of different strategies for learning. Lessons are

planned in a sequence of weekly sessions which are driven by clear learning objectives and key vocabulary. There is an aspect of mindfulness which is a key thread throughout the curriculum.

Each lesson begins with a community question to build respect and positive classroom relationships.

Children are taught the 'Jigsaw Charter' which sets out the expectations for learning particularly in this subject. They are:

- √ We take turns to speak
- √ We use kind and positive words
- √ We listen to each other
- √ We have the right to pass
- √ We only use names when giving compliments or when being positive
- √ We respect each other's privacy (confidentiality)

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- √ Families and people who care for me
- √ Caring friendships
- √Respectful relationships
- √Online relationships
- √ Being safe

These explicitly link with the Jigsaw curriculum and each characteristic of positive relationships is explored in an age-appropriate manner.

For more information about our RSE curriculum, see Appendices 1 and 2.

These areas of learning are taught within the context of family life, taking care to make sure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents and foster parents/carers, amongst other structures), along with reflecting sensitively that some children may have a different structure of support around them (for example, looked-after children or young carers).

We will also be mindful of the law and legal requirements, taking care not to condone or encourage illegal political activity, such as violent action against people, criminal damage to property, hate crime, terrorism or the illegal use of drugs.

6.1 Inclusivity

We will teach about these topics in a manner that:

- > Considers how a diverse range of pupils will relate to them
- > Is sensitive to all pupils' experiences
- > During lessons, makes pupils feel:
 - Safe and supported
 - o Able to engage with the key messages

We will also:

Make sure that pupils learn about these topics in an environment that's appropriate for them, for example in:

- A whole-class setting
- Small groups or targeted sessions
- 1-to-1 discussions
- Digital formats
- > Give careful consideration to the level of differentiation needed

6.2 Use of resources

We will consider whether any resources we plan to use:

- Are aligned with the teaching requirements set out in the statutory RSE guidance
- Would support pupils in applying their knowledge in different contexts and settings
- Are age-appropriate, given the age, developmental stage and background of our pupils
- Are evidence-based and contain robust facts and statistics
- Fit into our curriculum plan
- Are from credible sources
- Are compatible with effective teaching approaches
- o Are sensitive to pupils' experiences and won't provoke distress

7. Use of external organisations and materials

We will make sure that an agency and any materials used are appropriate and in line with our legal duties around political impartiality.

The school remains responsible for what is said to pupils. This includes making sure that any speakers, tools and resources used don't undermine the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

We will:

- > Make appropriate checks and engage with external agencies to make sure that their approach to teaching about RSE is balanced, and it and the resources they intend to use:
 - o Are age-appropriate
 - Are in line with pupils' developmental stage
 - o Comply with:
 - This policy
 - The Teachers' Standards
 - The Equality Act 2010
 - The Human Rights Act 1998
 - The Education Act 1996
- > Only work with external agencies where we have full confidence in the agency, its approach and the resources it uses
- Make sure that any speakers and resources meet the intended outcome of the relevant part of the curriculum
- > Review any case study materials and look for feedback from other people the agency has worked with
- > Be clear on:

- What they're going to say
- o Their position on the issues to be discussed
- > Ask to see in advance any materials that the agency may use
- > Know the named individuals who will be there, and follow our usual safeguarding procedures for these people
- > Conduct a basic online search and address anything that may be of concern to us, or to parents and carers
- > Check the agency's protocol for taking pictures or using any personal data they might get from a session
- > Remind teachers that they can say "no" or, in extreme cases, stop a session
- > Make sure that the teacher is in the room during any sessions with external speakers

We won't, under any circumstances:

- > Work with external agencies that take or promote extreme political positions
- > Use materials produced by such agencies, even if the material itself is not extreme

8. Roles and responsibilities

8.1 The governing board

The governing board will approve the RSE policy, and hold the headteacher to account for its implementation.

8.2 The headteacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory components of RSE (see section 9).

8.3 Staff

Staff are responsible for:

- > Delivering RSE in a sensitive way
- > Modelling positive attitudes to RSE
- Monitoring progress
- > Responding to the needs of individual pupils
- > Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

All staff at New Horizons Primary School will be trained in delivering RSE.

8.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

9. Parents' right to withdraw

Parents do not have the right to withdraw their children from relationships education.

Parents **do** have the right to withdraw their children from the non-statutory components of sex education within RSE.

If parents have concerns about any aspects of the RSE curriculum they should speak to their child's teacher in the first instance.

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the headteacher.

Alternative school work will be given to pupils who are withdrawn from sex education.

10. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

11. Monitoring arrangements

The delivery of RSE is monitored by our PSHE lead; Ashleigh Berryman, through:

- √ Learning walks
- √ Book looks
- √ Pupil interviews

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed annually by Jack Jones (Head of New Horizons Primary School). At every review, the policy will be approved by the governing board.

Appendix 1: Curriculum map

Relationships and sex education curriculum map

KEY: Science statutory Curriculum (statutory) Relationship and health statutory curriculum (statutory) Sex Education (non – statutory)

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
YEAR GROUP	BEING ME IN MY WORLD	CELEBRATING DIFFERENCE	DREAMS AND GOALS	HEALTHY ME	RELATIONSHIPS	CHANGING ME
Early Years	Self-identity Understanding feelings Being in a classroom Being gentle Rights and responsibilities	Identifying talents Being special Families Where we live Making friends Standing up for yourself	Challenges Perseverance Goal-setting Overcoming obstacles Seeking help Jobs Achieving goals	Exercising bodies Physical activity Healthy food Sleep Keeping clean Safety	Family life Friendships Breaking friendships Falling out Dealing with bullying Being a good friend	Bodies Respecting my body Growing up Growth and change Fun and fears Celebrations
Year One	Feeling special and safe Being part of a class Rights and responsibilities Rewards and feeling proud Consequences Owning the Learning Charter	Similarities and differences Understanding bullying and knowing how to deal with it Making new friends Celebrating the differences in everyone	Setting goals Identifying successes and achievements Learning styles Working well and celebrating achievement with a partner Tackling new challenges Identifying and overcoming obstacles Feelings of success	Keeping myself healthy Healthier lifestyle choices Keeping clean Being safe Medicine safety/safety with household items Road safety Linking health and happiness	Belonging to a family Making friends/being a good friend Physical contact preferences People who help us Qualities as a friend and person Self-acknowledgement Being a good friend to myself Celebrating special relationships	Life cycles — animal and human Changes in me Changes since being a baby Linking growing and learning Coping with change Transition

VEAD ODOUB	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
YEAR GROUP	BEING ME IN MY WORLD	CELEBRATING DIFFERENCE	DREAMS AND GOALS	HEALTHY ME	RELATIONSHIPS	CHANGING ME
Year Two	Hopes and fears for the year Rights and responsibilities Rewards and consequences Safe and fair learning environment Valuing contributions Choices Recognising feelings	Assumptions and stereotypes about gender Understanding bullying Standing up for self and others Making new friends Gender diversity Celebrating difference and remaining friends	Achieving realistic goals Perseverance Learning strengths Learning with others Group co-operation Contributing to and sharing success	Motivation Healthier choices Relaxation Healthy eating and nutrition Healthier snacks and sharing food	Different types of family Physical contact boundaries Friendship and conflict Secrets Trust and appreciation Expressing appreciation for special relationships	Life cycles in nature Growing from young to old Increasing independence Assertiveness Preparing for transition
Year Three	Setting personal goals Self-identity and worth Positivity in challenges Rules, rights and responsibilities Rewards and consequences Responsible choices Seeing things from others' perspectives	Families and their differences Family conflict and how to manage it (child-centred) Witnessing bullying and how to solve it Recognising how words can be hurtful Giving and receiving compliments	Difficult challenges and achieving success Dreams and ambitions New challenges Motivation and enthusiasm Recognising and trying to overcome obstacles Evaluating learning processes Managing feelings Simple budgeting	Exercise Fitness challenges Food labelling and healthy swaps Attitudes towards drugs Keeping safe and why it's important online and off line scenarios Respect for myself and others Healthy and safe choices	Family roles and responsibilities Friendship and negotiation Keeping safe online and who to go to for help Being a global citizen Being aware of how my choices affect others Awareness of how other children have different lives Expressing appreciation for family and friends	How babies grow Understanding a baby's needs Family stereotypes Challenging my ideas Preparing for transition
Year Four	Being part of a class team Being a school citizen Rights, responsibilities and democracy (school council) Rewards and consequences Group decision-making Having a voice What motivates behaviour	Challenging assumptions Judging by appearance Accepting self and others Understanding influences Understanding bullying Problem-solving Identifying how special and unique everyone is First impressions	Hopes and dreams Overcoming disappointment Creating new, realistic dreams Achieving goals Working in a group Celebrating contributions Resilience Positive attitudes	Healthier friendships Group dynamics Smoking Alcohol Assertiveness Peer pressure Celebrating inner strength	Jealousy Love and loss Memories of loved ones Getting on and Falling Out Girlfriends and boyfriends Showing appreciation to people and animals	Being unique Girls and puberty Confidence in change Accepting change Preparing for transition Environmental change

Appendix 2: By the end of primary school pupils should know

TOPIC	PUPILS SHOULD KNOW	How Jigsaw provides the solution
	Relationships Education in Primary schools – DfE Guidance 2019	
Families and people who care about me	 That families are important for children growing up because they can give love, security and stability The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed 	All of these aspects are covered in lessons within the Puzzles • Relationships • Changing Me • Celebrating Difference • Being Me in My World
Caring friendships	 How important friendships are in making us feel happy and secure, and how people choose and make friends The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed 	All of these aspects are covered in lessons within the Puzzles Being Me in My World Celebrating Difference Relationships

TOPIC	PUPILS SHOULD KNOW	How Jigsaw provides the solution
Respectful relationships	 The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs Practical steps they can take in a range of different contexts to improve or support respectful relationships The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help What a stereotype is, and how stereotypes can be unfair, negative or destructive The importance of permission-seeking and giving in relationships with friends, peers and adults 	All of these aspects are covered in lessons within the Puzzles Being Me in My World Celebrating Difference Dreams and Goals Healthy Me Relationships Changing Me
Online relationships	 That people sometimes behave differently online, including by pretending to be someone they are not That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met How information and data is shared and used online 	All of these aspects are covered in lessons within the Puzzles Relationships Changing Me Celebrating Difference

TOPIC	PUPILS SHOULD KNOW	How Jigsaw provides the solution
Being safe	 What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context) About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know How to recognise and report feelings of being unsafe or feeling bad about any adult How to ask for advice or help for themselves or others, and to keep trying until they are heard How to report concerns or abuse, and the vocabulary and confidence needed to do so Where to get advice e.g. family, school and/or other sources 	All of these aspects are covered in lessons within the Puzzles Relationships Changing Me Celebrating Difference

TOPIC	PUPILS SHOULD KNOW	How Jigsaw provides the solution
Mental wellbeing	 That mental wellbeing is a normal part of daily life, in the same way as physical health. That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations. How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings. How to judge whether what they are feeling and how they are behaving is appropriate and proportionate. The benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity on mental well-being and happiness. Simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests. Isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support. That bullying (including cyberbullying) has a negative and often lasting impact on mental well-being. Where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental well-being or ability to control their emotions (including issues arising online). It is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available, especially if accessed early enough. 	All of these aspects are covered in lessons within the Puzzles • Healthy Me • Relationships • Changing Me • Celebrating Difference
Internet safety and harms	 That for most people the internet is an integral part of life and has many benefits. About the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing. How to consider the effect of their online actions on others and knowhow to recognise and display respectful behaviour online and the importance of keeping personal information private. Why social media, some computer games and online gaming, for example, are age restricted. That the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health. How to be a discerning consumer of information online including understanding that information, including that from search engines, is ranked, selected and targeted. Where and how to report concerns and get support with issues online. 	All of these aspects are covered in lessons within the Puzzles Relationships Healthy Me

TOPIC	PUPILS SHOULD KNOW	How Jigsaw provides the solution
Physical health and fitness	 The characteristics and mental and physical benefits of an active lifestyle. The importance of building regular exercise into daily and weekly routines and how to achieve this; for example, walking or cycling to school, a daily active mile or other forms of regular, vigorous exercise. The risks associated with an inactive lifestyle (including obesity). How and when to seek support including which adults to speak to in school if they are worried about their health. 	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Healthy eating	 What constitutes a healthy diet (including understanding calories and other nutritional content). The principles of planning and preparing a range of healthy meals. The characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the impact of alcohol on diet or health). 	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Drugs, alcohol and tobacco	The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug-taking	All of these aspects are covered in lessons within the Puzzles • Healthy Me

TOPIC	PUPILS SHOULD KNOW	How Jigsaw provides the solution
Health and prevention	 How to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body. About safe and unsafe exposure to the sun, and how to reduce the risk of sun damage, including skin cancer. The importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn. About dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist. About personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing. The facts and science relating to immunisation and vaccination 	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Basic first aid	 How to make a clear and efficient call to emergency services if necessary. Concepts of basic first-aid, for example dealing with common injuries, including head injuries. 	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Changing adolescent body	 Key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes. About menstrual wellbeing including the key facts about the menstrual cycle. 	All of these aspects are covered in lessons within the Puzzles • Changing Me • Healthy Me

Appendix 3: Parent form: withdrawal from sex education within RSE

TO BE COMPLETED BY PARENTS			
Name of child		Class	
Name of parent		Date	
Reason for withdrawing from sex education within relationships and sex education			
Any other information you would like the school to consider			
Parent signature			
TO BE COMPLETED BY THE SCHOOL			
Agreed actions from discussion with parents
