

The toys in Andy's bedroom need our help! During this topic, we will be helping all of the different toys to solve problems at school. We will help find Woody when he gets left behind at Cowboy Camp. We will help Buzz to get back to space when his rocket breaks, and Mr Potato Head to get more fit and healthy!

We would love it if you could help the toys by doing some of these things at home!

Our topic will run between 13th–7th July 2022

**We will be having a dress-up day on Thursday Thurs 7th, when your child can come to school dressed up as their favourite toy and you will be invited in to a 'toy story' workshop at 2pm!**

Make a healthy meal for Mr Potato Head.

Draw a picture and write about an adventure your toy could go on.

Make your own toys using junk modelling materials.

Draw a rocket using different shapes.

Practise doing different exercises to show Mr Potato Head how to be fit.

Visit the woods and have a cowboy adventure!

Design and make a rocket to fly Buzz Lightyear to space.
